

Bistro du Sommelier

My internship experience in Luxembourg city.

A wide range of wine at your disposal.

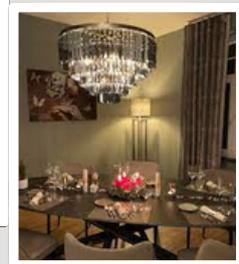

You can ask for any wine you can think of and they will have it. They have more than 200 varieties, from the strongest to the most delicate one.

The type of meal you can eat and their quality.

You will find a lot of French dishes, mostly every each and one of them is. The kitchen staff always makes sure the ingredients are top quality and are cooked within the health code.

The chef makes sure that the flavours and the seasonings gives the best taste to their dishes.

Private dining rooms.

The restaurant offers you 4 different private dining rooms, so you can talk business, have a family feast or get-togethers with friends.

A friendly, welcoming team.

The staff will welcome you very kindly. With an outstanding efficiency, everyone on TripAdvisor agrees: they all felt welcomed and recommends the experience.
